Re: Final Approval – JP Case Information

Dear Professor Brinig

Your request to obtain bulk distribution of confidential court records in JP with 2008 support orders cases from trial courts located in Lake, Marion, Monroe, Posey and St. Joseph Counties has been approved by the Indiana Supreme Court pursuant to Indiana Administrative Rule 9(F), subject to the terms of this letter and the executed User Agreements for Bulk Distribution of Data or Compiled Information, Form TCM-AR9(F)-1.

As explained in the User Agreements, the execution of the agreement and approval by the Division do not create any mandatory obligation on the part of any court or clerk to provide bulk distribution of court records or compiled information. You will need to contact the clerk from all counties not using the Odyssey system to seek distribution of this data. Except as explained in the following two paragraphs, it is up to each court to determine whether or not to provide bulk distribution of its records.

Indiana Administrative Rule 9(F)(2) places authority in the Indiana Supreme Court with respect to records from multiple courts such as those maintained in the Odyssey data repository. By Order dated September 13, 2011, *In the Matter of Bulk Distribution of and Remote Access to Court Records in Electronic Form*, Case No. 94S00-1109-MS-552, the Indiana Supreme Court authorizes bulk distribution of Odyssey records that are not excluded from public access by Administrative Rule 9(G) or (H), and authorizes the Division to review written requests for bulk distribution of Odyssey records and, if appropriate, approve such requests.

You are approved to receive bulk distribution of Odyssey records and the Division will provide bulk distribution of such records to you, subject to the following additional conditions: (1) You must make arrangements for payment for the records in accordance with Administrative Rule 9 and the Supreme Court's Order of September 13, 2011; (2) Your approval is subject to the executed User Agreement for the Use of Bulk Data from Indiana Odyssey Case Management System, and (3) You are prohibited from providing bulk distribution of Odyssey records to any third party.

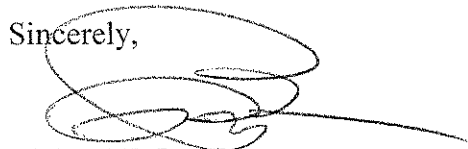

That having been said, I am sorry to report to you that a preliminary search of records for these courts conducted by JTAC staff through Odyssey has been unable to identify JP cases in which a support order was entered in 2008 due to the variance in the way each county reported this data in their individual case management systems in 2008. Since you have been approved for access by the Supreme Court, you will have to go to each county in order to gather the information at the local level.

Based on the 2008 New Case Filing stats, Posey Circuit Court, Monroe Circuit Court 7 and St. Joseph Probate Court handled the JP cases in their county. I would imagine the local Clerk's Office can sift through the 2008 RJO file/book and print a copy of the relevant orders for you. You may have to pay for the copy fee but that should get you the information you need.

Executed copies of your user agreements, Form TCM-AR9(F)-1, are enclosed. The agreement will expire on January 31, 2015. Also enclosed is an executed copy of your User Agreement for the Use of Bulk Data from Indiana Odyssey Case Management System and a distribution receipt form, Form TCM-AR9(F)-3, that must be completed and returned to this office within thirty (30) days of receiving bulk distribution of court records or compiled information from court records. However, you need not file Form TCM-AR9(F)-3 for Odyssey records.

If you have any questions, please contact me at richard.payne@courts.IN.gov or (317) 234-5398.

Sincerely,

Richard T. Payne
Staff Attorney, Trial Court Management
